**College Costs (inc. Net Price by Income Groups)**  
**Consumer Information on College Navigator**  
**Disaggregation of Graduation Data**  
**Drug & Alcohol Abuse Prevention**  
**Fire Safety**  
**Gifts to Title VI Grantees**  
**Lobbying Certification (Coburn)**  
**Missing Persons**  
**Notice of Drug Penalty Violations**  
**Plans for Academic Improvement**  
**Peer-to-Peer (P2P) File Sharing**  
**Post-Graduate Information (Jobs & Graduate School)**  
**Retention Rates**  
**Sunshine Act**  
**Textbooks**  
**Transfer of Credit**  
**Teacher Preparation Report Cards**  
**Vaccine Policies**

---

**Note:** Although few proposed new reporting requirements were eliminated (notably, the endowment reporting requirement included in the House bill), some were improved. Specifically—

- There is not a 30-minute limit on notifying the campus community about an emergency.
- The number of new collections of information to be posted on College Navigator has been significantly reduced.
