

Independent Colleges of Washington

2010/11 **FACTBOOK**

Invest in Washington...  
One student at a time

# MISSION

*Independent Colleges of Washington provide opportunity, choice, and success for students.*

The mission is accomplished by providing resources for students, advocating for public policy that supports students, building strategic collaborations, and by telling the compelling story of independent higher education.

# PROVIDE OPPORTUNITY

**Washington's independent colleges serve an economically diverse student body:**

Over 20% of resident undergraduates receive the State Need Grant and about 25% of undergraduates are awarded the Federal Pell Grant.

The majority of financial aid to low-income students is in the form of grants.

# 90%

**of students receive institutional aid**

This investment from the college averages about \$13,000 per student, and totals over \$275 million.

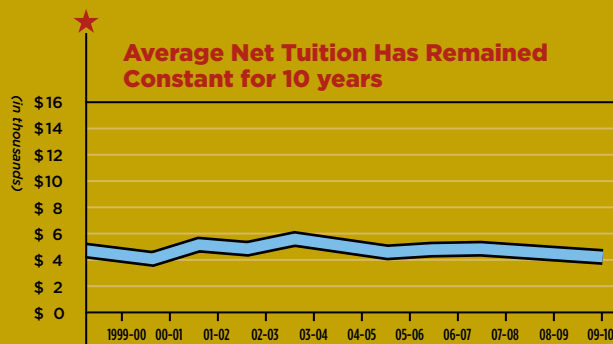

**Private Colleges are Affordable**
