Transcripts: The high school transcript must present the applicant's record for grades 9-11 and may also reflect the 7th semester (*first half of senior year*). A transcript is official if it is sent directly by the high school to the college/university or sealed by the school and mailed or delivered by the applicant. If the applicant opens the envelope, it is no longer official.

Test Scores (SAT or ACT): Test scores are official if they are sent directly from the testing agency to the institution or sent directly from the high school (*handwritten scores are not acceptable*). To speed up processing of applications, applicants should, at the time they register for the SAT/ACT, request that their scores be sent directly to the institutions to which they plan to apply.

Transfer Applicants, Applicants Expecting to Participate in Athletic Programs, Running Start and College-in-the-High School Participants: Contact each institution for additional information.

Applicants with Disabilities: For accommodations in the application process, contact each institution or the Washington State Relay Service TTY at 800.833.6388.

Application Fee Waivers: Most schools have fee waivers available, through the admissions office.
